SUMMARY

UX Designer with 3 years of industry experience and a strong foundation in user-centered design, research, and visual systems. Experienced in designing web and mobile applications from concept to execution, collaborating cross-functionally to deliver intuitive and visually engaging user experiences. Background in Information Technology enables strong problem-solving and design-to-development alignment.

EXPERIENCE

UX Designer , Koiostudio

Mar 2024 - PRESENT

Designed end-to-end UX for web and mobile applications from research and wireframing to high-fidelity UI and developer handoff while collaborating with cross-functional teams to translate business goals into user-centric solutions. Built responsive layouts, reusable components, and scalable design systems, iterating designs based on usability feedback to enhance interface clarity and usability.

UX Design Intern , Mentorsity

Oct 2023 - Feb 2024

Worked closely with senior designers to create wireframes, prototypes, and visual designs for web application, contributing to a 40% increase in user engagement.

Freelancer , Visual Designer

Jan 2023

Transformed the online presence of a home bakery into a digital masterpiece. Collaborated closely with the client to understand their brand identity, target audience, and business goals, resulting in a visually stunning and user-centric website.
